

# LANGUAGE BRIDGE

## ABOUT THE PROJECT

### WHAT'S LANGUAGE BRIDGE?

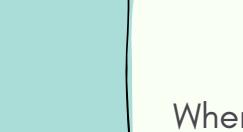

Language Bridge is a project for young people who want to improve their conversational skills while learning English outside of the native language environment.

Our English-speaking tutors are high school-age volunteers from the United States with experience and interest in tutoring.

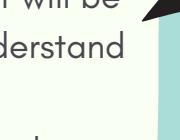

### WHAT DOES LANGUAGE BRIDGE GIVE YOU?

Conversational practice with native speakers is a great way to:

- learn a real "living" language
- improve listening comprehension
- improve your vocabulary
- practice pronunciation
- gain confidence in speech

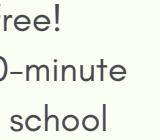

### RESULTS

When you travel, study or work abroad in the future, it will be easier for you and people from other countries to understand each other.

In addition, after 1 year, you will receive a Certificate confirming your completion of the program.

### HOW DOES LANGUAGE BRIDGE WORK?

Classes at Language Bridge are absolutely free! We meet each weekend on Zoom for informal 30-minute sessions to talk on various topics, ranging from school and traditions to popular culture, travel, and food. We do not give grades. Any level of English is welcome. You will practice conversational English with like-minded peers who are interested in improving their language skills.
